Good work story/stories

Officers were around Kennington Road, Willesborough when motorbikes were seen travelling passed them on the pavement. Officers made attempts to stop the rides and bikes, but they made off from police. With a short foot chase two males were arrested and a stolen motorbike was recovered.

If you have any information in relation to any nuisance bikes in your area, it is imperative that each incident is reported to the police, so we can take robust action against anyone that is causing anti-social behaviour in the area. Good work story/stories

I am still receiving information regarding a vulnerable resident in the area being targeted by several young people. I continue to patrol the area to ensure the residents feel safer within their homes and responding to any reports that we are receiving.

One of the persons involved has been identified this month and a visit was made to them, and their parents were informed. I continue to work with partnership agencies to safeguard the resident that needs additional support. Should you witness any anti-social behaviour do not hesitate to report this to police so the offenders can be dealt with robustly. [Report antisocial behaviour | Kent Police](#)
