## Good News Stories.

### As Ashford Community Safety unit there has been the following good work:

Officers from the Ashford Beat Team identified a vehicle linked to the supply of controlled drugs in the Ashford area. This led to the subsequent arrest of 2 people, and searches of the vehicle and a property led to suspected Class A drugs, money and stolen items located within. Both suspects are currently on bail. Drugs have a detrimental effect on communities. Those who distribute drugs will continue to be targeted by Kent Police.

## Good News Stories

Officers from the Ashford Beat Team were recently contacted by a member of the public, who disrupted 3 males hotwiring a motorbike in the South Ashford area. After determined efforts from local officers, 3 suspects were identified and within a short period of time all 3 suspects were arrested. The motorbike had been confirmed as stolen from the day before and returned to its rightful owner.

### Crime Prevention Advice:

There has been a rise in the number of Amazon parcels and similar deliveries being stolen from doorsteps of property. To assist with preventing this happening, please request when ordering for parcel to be left in a safe place or with a trusted neighbour.

Due to the evenings starting to draw in and to get ready for winter, please consider security marking valuable items, tools, machinery even more so if the items will be stored over the winter.
