Community events attended and next month's events in surgery

This month I will be joining a coffee morning at the Stanhope Library between 10am and 11am. Please come along and have a chat and express any concerns that you may have about your local area. This is open to everybody and not just for those that live in the Stanhope area.

Good work story/stories

This month we hosted a day of action at the Ashford Designer Outlet targeting shoplifters. We utilised a mix of plain clothed officers and uniformed officers to identify any offenders and recover stolen property. We arrested a well-known shoplifter who was in possession of over £300 worth of goods. She has been charged and will appear in court over the next few weeks. The goods were all recovered and given back to the stores. A 14-year-old child was also stopped and searched following information that he had been stealing high value clothing. The property was recovered, and he is under investigation for shoplifting.

Good work story/stories

We continue to work hard to reduce the antisocial behaviour caused by nuisance motorbikes. This month we stopped a male in the area of Brookfield Road who had been seen riding a nuisance bike. He was given a ticket for having no insurance, the incorrect license and failing to wear the correct protective headgear. The bike was also seized. I urge any residents to report any nuisance motorbikes to police so that we can continue this good work.
